Constella v1.5.6 — Committee Review Packet

2025-08-16

Constella Framework — Committee Review Packet (v1.5.6)

Purpose

This packet provides external reviewers with the core context needed to evaluate the **Constella Framework v1.5.6**. It bundles together the latest consensus scrolls, review process guidance, and return format. The intent is to gather structured, constructive feedback from experts and civic partners.

Contents

1. **Overview of v1.5.6**

   - Updated consensus scrolls for three priority projects:
     - RME Consensus Scroll
     - Eden Consensus Scroll
     - Harmony Consensus Scroll
   - Priority order: **#1 RME, #2 Eden, #3 Harmony**

2. **How to Review**
   Reviewers are asked to:

   - Read the consensus scrolls carefully.
   - Evaluate based on feasibility, impact, clarity, and alignment with civic tech principles.
   - Provide structured feedback using the return format below.

3. **Return Format**
   Please return a single tab-separated line per your review:
